

A Social Story for Visiting Santa

**Santa loves to surf
when he's on the
Outer Banks, NC.**

After surfing, Santa loves to meet awesome kids and adults in the Outer Banks.

**There may be other
kids and adults
excited to see
Santa, just like me.**

**I will try to be
patient as I wait for
my turn with Santa.**

It is hard to wait sometimes but I can take a deep breath, ask for help, or do one of the fun crafts!

**I can stand next to
Santa, or sit on his
lap, both are okay!**

**He will ask me
what my name is
when it is my turn.**

*Dear Santa,
Here is my wish list:*

Love,

**Santa will ask me
what I want for
Christmas.**

**I can be brave and
tell Santa what I
want for
Christmas.**

When I am getting my picture taken with Santa, I will try to look at the camera and smile.

**I can also do
a shaka with
Santa.**

**I can then say
goodbye in
different ways.**

**Then, I can make
some crafts and
have some snacks.**
